**Alexandra Dimitraklas**  
**Property Administrator**  
**Colliers International**

Alexandra Dimitraklas is a Property Administrator at Colliers. She started her career in Commercial Real Estate in 2017 and has worked supporting property management teams in both office and retail while currently supporting the property management team with a unique residential building, 77 Elm Street, owned by The Hospital for Sick Children.

In 2023 Alexandra alongside her team members were awarded first place in Colliers Ground Up Challenge. The project was to support building and engaging community, not only with building occupants at 77 Elm Street but collaboratively with Sick Kids staff.

Alexandra continues to work to grow her network within the Commercial Real Estate field and beyond by actively participating in memberships such as CREW and she continues expanding her knowledge of the industry by working towards her RPA.
