Behi Shafiei
Tax, Investment Management, Insurance &
Estate Planning Lead
DDM Group

Behi Shafiei takes pride in leading an exceptional team of professionals specializing in tax, investment management, insurance, and estate planning at DDM Group, a premier wealth preservation consultancy. Their primary objective is to safeguard their clients' wealth while strategically expanding their asset portfolios.

With a decade-long career spanning both private and public consulting spheres, Behi has consistently aimed to empower those around her. Beginning her journey in CIBC's lending department, she progressed to become a pivotal advisor to notable public figures such as The Ontario Minister of Infrastructure, and the Provincial Controller after obtaining her Master of Public Policy and Law.

Driven by her passion for entrepreneurship and investment management, Behi transitioned into the consulting realm, focusing on income producing residential and commercial real estate assets.

Behi isn't just a leader; she's about making real change happen. She's deeply committed to supporting Toronto Covenant House Youth Initiatives as a member of NextGen Council. And she played a big part in their recent Champion Sleepout Fundraising event on April 11, helping raise \$15,000.
