

Presenter Profile

Ashley Archer-Bereaux
Director, Residential Operations
Starlight Investments

Ashley Archer-Bereaux is a dynamic and inspiring young professional with over 16 years of experience. Starting her career at a young age, Ashley has worked with top companies like Morguard, GWL Realty Advisors, QuadReal and Starlight Investments where she is currently a Director of Residential Operations across Starlight's Canadian portfolio. She is recognized for her expertise in property operations, leasing, financial management and team development and known for her strong leadership, passion for excellence and commitment to growth and development. Ashley is actively involved in mentoring, a member of multiple Toronto CREW committees, an advocate for diversity in Canadian Real Estate and has been invited to speak at industry events about how to develop and motivate young professionals in the industry. Her dedication to the advancement of women and young professionals in the industry makes her a leader to watch in the industry.
