

## **Presenter Profile**

---

**Vanessa Tantalo**  
**Owner, Tantalo Tech Integration**  
**ARIDO, IDC, CIDQ, BCIN Large Buildings 42511, RHFAC**

Vanessa is the Owner and Principal of Tantalo Tech Integration Inc., which specializes in Building Code and Accessibility Consulting. With close to 20 years of extensive experience as a Registered Interior Designer, Vanessa has cultivated a diverse skill set across various sectors, including Workplace, Higher Education, Arts & Culture, Government, Retail Banking, Seniors Living, and Multi/Single Family Residential.

Vanessa has strategically focused and honed her technical skills now specializing solely in Building Code and Accessibility Consulting. In addition to holding an advanced diploma in Interior Design from Sheridan College, Vanessa holds NCIDQ, BCIN Large Building and RHFAC Professional designations. Leveraging Vanessa's extensive background in Interior Design and project management with her technical expertise, Tantalo Tech provides a unique service offering that sets them apart in the industry.

Vanessa has also worked part-time with the Humber College Bachelor of Interior Design program. She is currently the Co-Chair of the City of Brampton Accessibility Advisory Committee, a member of the ARIDO Accessibility Committee and a Director on the ARIDO Board of Directors.
