Distinctive Advisors

Victoria is a distinguished leader in finance and real estate across various sectors. At Distinctive Advisors, Victoria focuses on guiding family office and high-net-worth individuals, providing thorough advice on their capital structures. As a respected authority in real estate and mortgage brokerage, Victoria's expertise and commitment to client service establish her as an authoritative speaker. Victoria's focus on residential real estate is an extension of her more than 25 years of transaction experience in commercial real estate, brokering deals on the most prominent properties across Canada as well as around the world. Victoria holds a variety of designations including as a commercial and residential real estate broker, as well as a registered mortgage broker. Victoria is an inspiration to young women in real estate, with the first Victoria Joly Legacy Scholarship awarded by Toronto CREW in 2008, which recognizes one young woman in her final year of study in a real estate program.
